

Level 1 Notification - Update

January 30, 2026

A planned shutdown of some equipment at the Valero Refinery begins tomorrow, January 31. Odors and/or flaring may occur. The Benicia Fire Department and the Bay Area Air District will be closely monitoring the situation and provide updates as needed.

Odor complaints may be reported to the Air District at 800-334-ODOR or online. If you believe there is an immediate emergency, call 911.
